

## BLUSH

**Beautiful, bright yellow snacking tomato**

Sweet, fruity flavor has universal appeal. An elongated, plump, bullet-shaped cherry that is large enough to slice, yet still small enough for snacking out of hand. Radiant golden fruit are drizzled with ruby streaks. Produce 2 ½ inch long, 1 ¼ inch wide tomatoes.

Indeterminate. USDA Certified Organic.

## JAPANESE BLACK TRIFELE

**Heirloom with unusual pear shape and burgundy color.**

Good yields of 4–6 oz. fruit with excellent, rich flavor. Harvest when shoulders are still green for best flavor. Free of blemishes and cracks and range in color from intense black to dark grey blushed with magenta. As delicious as it is unique. An excellent canner as it holds its flavor and color well.

Potato-leaf plants. Indeterminate. USDA Certified Organic.

## INDIGO CHERRY DROPS

**Organic Tomato**

These single-bite cherry tomatoes are mouthwateringly delicious and loaded with the high antioxidant levels. At 1–1 ¼ inches across, Indigo Cherry Drops are deep, rosy-red with a black-purple cast that is bursting with sweet flavor. The strong, indeterminate plants are non-stop, heavy producers of these tempting morsels.

Indeterminate. USDA Certified Organic.

## BLACK KRIM

**Medium-sized, very dark maroon beefsteak, with wonderfully rich flavor.**

Black Krim combines bold, smoky flavor and good texture with an unusual appearance. Deep brown/red, 8-16 oz. tomatoes have brown/green shoulders that get darker with more heat and sunlight. High yielding.

Indeterminate. USDA Certified Organic.

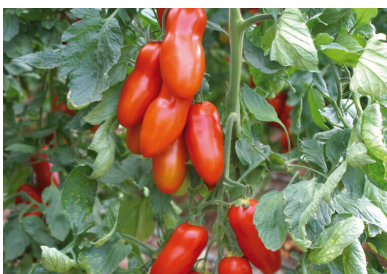

## PINK BERKELEY TIE DYE

**Unique appearance with heirloom-quality flavor.**

8-12 oz. fruits are dark pink with green striping, and the flesh is pink with yellow streaks. The flavor is outstanding - sweet and complex like the finest heirlooms.

Compact Indeterminate. USDA Certified Organic.

## POZZANO

**A San Marzano type for the greenhouse.**

Very high, early yields of 4-6 oz. tomatoes with the classic San Marzano shape. Does well in the field, but really shines in greenhouses and hoopouses. Blunt-tipped fruits have high solids so they sauce down quickly, and have good flavor that improves when cooked. High resistance to blossom end rot. Vigorous plant stays healthy over a long season.
